

Deal A - FY2025 Financial Summary (Revised Draft)

Prepared for internal due diligence review. Figures are management-prepared and have not yet been audited; the audited FY2025 statements are still outstanding from the target's finance team.

Revenue (USD millions):

FY2023: 14.2 (growth n/a)

FY2024: 19.8 (growth +39%)

FY2025: 31.9 (growth +61%), gross margin 23%

Customer concentration:

The top 3 customers represented approximately 41% of FY2025 revenue.

The largest single customer contract (Customer MSA v3) includes a change-of-control clause requiring written consent within 90 days of signing before the agreement may be assigned to an acquirer.

Balance sheet notes:

Cap table shows four share classes; no unusual liquidation preference stacking was identified in the documents reviewed to date.

The FY2025 audited cash flow statement has not yet been provided by the target and remains an outstanding due diligence item.

Related-party notes:

One supplier relationship (approximately 3% of FY2025 cost of goods sold) is beneficially owned by a director of the target company. This was not disclosed in the initial data room index and was identified independently during document review.
